## WELDING SUPPLY CO.

### Millermatic® 140 Auto-Set™

907335

- The easiest, most affordable all-in-one MIG to setup and start welding
- 115 VAC, 90 A at 20% duty cycle
- Spool gun compatible—welds aluminum from 18 gauge to 14 gauge

MSLP \$837  
**Sale \$659.<sup>00</sup>**

### Millermatic® 212 Auto-Set™

907405

- Auto-Set feature gives you the right settings automatically
- Infinite voltage control in manual mode
- 208/230 V, 160 A at 60% duty cycle
- Compatible with Spoolmatic® 15A/30A spool gun

MSLP \$1,992  
**Sale \$1,559.<sup>00</sup>**

### Millermatic® 252

907321

- For welding metals as thin as 22 gauge and up to 1/2 inch thick
- Infinite voltage control with digital meters has self-calibrating meters that permit pre-setting of voltage and wire feed speed
- Superior MIG aluminum welding with direct hook-up for all Miller push-pull guns and Spoolmatic® 15A/30A spool-guns – no module to buy or install

MSLP \$2,657  
**Sale \$2,073.<sup>00</sup>**

### Millermatic® 211 Auto-Set™ w/MVP™

907422-01-1

- Most powerful and flexible MIG machine in a small case
- Welds up to 3/8 inch mild steel in a single pass on 230V
- Auto-Set feature gives you the right settings automatically
- Spool gun ready – welds aluminum from 18 gauge – 3/8 inch
- MVP allows you to connect to common 120 or 230 V power receptacles without tools

MSLP \$1,329  
**Sale \$1,036.<sup>00</sup>**

### Millermatic® 350P

907300

- Output range of 25 - 400 amps
- Welds materials 22 gauge up to 1/2 inch thick
- Built-in pulsed MIG programs
- Exclusive Gun-On-Demand™
- Adjustable crater feature optimizes crater size

MSLP \$4,687  
**Sale \$3,656.<sup>00</sup>**

### Diversion™ 180

907460

- The Personal User's AC/DC TIG Machine
- Multi Voltage Plug (MVP™) allows use on 115 or 230V input power
- Digital interface for more accurate adjustments to welding amperage
- Amperage range of 10 – 180 amps on 230V

MSLP \$2,150  
**Sale \$1,677.<sup>00</sup>**

## Maxstar® 150 S

907134-01-2

- Portable in the shop or at the jobsite – at 13.2 lbs the shoulder strap allows you to easily move from location to location
- Auto-Line™ circuitry automatically connects to 115-230 VAC, single-phase power
- Low OCV Stick reduces OCV to 13 volts when machine is not in use

MSLP \$1,054

**Sale \$822.00**

## Maxstar® 150 STL

907135-01-6

- Portable in the shop or at the jobsite – at 13.7 lbs the shoulder strap allows the end user to easily move from location to location
- Auto-Line™ circuitry automatically connects to 115-230 VAC, single-phase power
- Lift-Arc™ start provides TIG arc starting without the use of high frequency

MSLP \$1,633

**Sale \$1,273.00**

## Syncrowave® 200 Runner®

907308-01-1

- 5-200 amps provides the ability to weld thin sheet metal and the extra amperage capacity to weld thicker material – up to ¼" aluminum with AC TIG
- Built-in pulser is easy to set with single knob adjustment
- AC Balance Control can be adjusted to improve the weld appearance on aluminum

MSLP \$2,655

**Sale \$2,070.00**

## Bobcat™ 250

907211

- 11,000 Accu-Rated™ watts of generator power
- Tri-Cor™ stabilizer for smoother 7018 weld performance
- Large fuel capacity for longest run time – 12 gallons
- Fully enclosed case decreases sound
- Ten-degree skewed rotor for smooth generator power

MSLP \$4,397

**Sale \$3,429.00**

## Trailblazer® 302

907216

- Professional Welder's Choice
- 11,000 watts of generator power with exclusive two-generator system
- No interaction between power tools and the welding arc
- Fully enclosed case decreases sound
- Largest fuel capacity for longest run time – 12 gallons

MSLP \$5,067

**Sale \$3,949.00**

## AUTO-DARKENING HELMETS

### Elite Series™

The ultimate helmet for the most demanding applications.

222669  
Inferno™  
Sale \$279

241975  
Black  
Sale \$255

234065  
Stars and Stripes II™  
Sale \$279

### Performance Series™

Our Mid-Range Helmet for All Welding Applications

232036  
America's Eagle™  
Sale \$207

232035  
Black  
Sale \$191

### Pro-Hobby™ Series

The ideal helmet for light duty applications.

231405  
American Eagle™ II  
Sale \$143

231404  
Black  
Sale \$127

**Prices Effective June 12 thru December 31, 2010 • UPS Shipping Available**

1200 Eastern Avenue • Malden, MA 02148
